If you want to read a bunch of articles about cops who don't get the concept that they are supposed to uphold the laws, not break them... here are a few good links:

**WARNING:** DO NOT READ IF YOU WANT TO CONTINUE TO LIVE IN A FAIRYLAND WHERE COPS DO NOT COMMIT CRIMES AND ARE ALWAYS AND ONLY THE HEROES... YOU MAY EXPERIENCE SEVERE SHOCK AND DISAPPOINTMENT AFTER READING MANY OF THESE STORIES. SAME GOES FOR THE MEMBERS OF CLERGY, POLITICIANS, TEACHERS, JUDGES AND OTHER PERSONS IN POSITIONS OF AUTHORITY WHO SEEM TO COMMIT MORE SEX CRIMES THAN THE AVERAGE JOE CITIZEN OUT THERE.

These links also include pedophile clergy members, teachers, politicians and others in positions of authority. Read at your own risk... may cause severe increase in blood pressure that can lead to stroke or other health problems due to extreme outrage at the injustice and arrogance of government agents who think they will get away with their crimes- because they usually do!

The US Government research shows that in 90% of the cases of child sexual exploitation, the perpetrator is someone the child knows (and trusts) like the above members of law enforcement, boy scout leaders, members of the clergy, teachers etc. And 68% of the perpetrators are family members... NONE of these perpetrators find their victims through backpage.com or any other internet adult ads.

If "just one" sexually exploited child through adult ads on backpage.com and craigslist is sufficient for vapid and insipid actors, states attorneys general and other ignorant crusaders to demand the shut down of all adult ads everywhere, how many victims of these thugs will it take
before those same twits demand that we do something about THESE crimes against children? What about the expose of the huge problem of pedophile in Hollywood by former child actor Corey Feldman?
Do these posturing hypocrites demand that we do something about that? A problem that has bedeviled the entertainment industry since its inception- everyone in Hollywood knows about it yet no one says anything...
not unlike the coverup of the pedophile priests by the Catholic Church and its' representatives like (now retired) Cardinal Mahony...

For now, these links are in no particular order. When I have time, I will add the rest that I have and sort them according to the type of corruption and perpetrators.
