Across the country, States Attorneys General are demanding that online classified website like backpage.com and others shut down their adult services ads—supposedly to protect underage persons from being trafficked. According to the letter being sent to backpage.com from these states attorneys general, "More than 50 cases of trafficking or attempted trafficking of minors on Backpage.com have been filed in 22 states in the past three years.

Unfortunately for underage persons who are victims of sexual abuse at the hands of an adult, the majority of such victims are known to the abuser. Sexual assault of young children as Reported to Law Enforcement: Victim, Incident, and Offender Characteristics

Sexual abuse of teenage girls by police officers is so prevalent that there is an article by that name which can be found here:

POLICE SEXUAL ABUSE OF TEENAGE GIRLS

And the prevalence of rape in juvenile facilities is also high, as indicated by this report from the US Department of Justice:

Sexual Victimization in Juvenile Facilities: Reported by Youth, 2008-09

Here is a prime example:

Ex-Officer Sentenced For Misconduct With Juvenile Inmate
Former Indianapolis Juvenile Correctional Facility officer Octavious Tyler has been sentenced to six months in a community corrections program after pleading guilty to two felony counts of sexual misconduct with a minor for engaging in sexual activity with a female at the facility.

And in late 2011, a former Alameda County sheriff’s deputy was sentenced Friday to three years in prison for molesting one of his daughters throughout her childhood.

John Eric Freeman, 53, of Concord, pleaded guilty earlier this year to three counts of child molestation in exchange for the three year sentence handed down in Contra Costa County Superior Court this afternoon after hearing emotional statements from his four daughters and ex-wife. Three years for a lifetime of scars his daughter will endure.

Yet politicians and the media are screaming for laws which will send men who have sex with 17 year olds to prison for 15 years!

Pedophile cops and judges 1987 to 2009 click here

Why do these abolitionists not know that when a law enforcement officer has sex with a juvenile, they are given a mere slap on the hand? But they want to send other adults to prison for decades if there is money involved...

With so many unfortunate cases of the sexual exploitation of juveniles by law enforcement officers, we have been told that we need to arrest child prostitutes. IT MAY SOUND CRUEL, BUT IT COULD BE THE ONLY THING THAT SAVES THEM

Are the not aware of the US Government’s own reports on these things? Do they not realize that adult prostitutes who are arrested and raped by law enforcement agents and corrections officers. Indeed, according to a May 5, 2011 article in the Economist, "Sexual abuse in prison is distressingly common: the Justice Department estimated that more than 217,000 prisoners, including at least 17,000 juveniles, were raped or sexually abused in America in 2008."
For the information below, if the outcome or punishment is listed as "unknown" it is because when we first did the research there was no outcome or punishment listed. We have had several cases where judges have sent out an email and we will post the updated information when we can. You can contact us at: normaja [at] webuniverse.net.

We are attempting to add all the names of officers, judges, district attorneys and other abusers in positions of power, sometimes law enforcement officers. If you have information on someone, please contact us. We are also trying to get as much information as possible on the people accused of child sexual assault or child pornography in 2010 to 2011. Please be patient as we add others and expand the lists to include the members of the clergy, teachers etc.

PLEASE NOTE; IF YOU ARE A LAW ENFORCEMENT OFFICER WHOSE NAME IS ON THIS LIST BUT YOU WERE VINDICATED OF THE CHARGES, WE STILL WOULD LIKE YOUR STORY TO BE TOLD. THIS IS A LIST OF PEOPLE WHO MANIPULATED CHILDREN THROUGH FALSE CHARGES TO DISCREDIT WHISTLEBLOWERS AND THOSE WHO DO NOT CONFORM TO THE POLITICALLY CORRECT WAY OF DOING THINGS.
