ISWFACE Presents:

Meet Our 'Johns'

NY Governor Eliot Spitzer
rich, powerful former NY Top Prosecutor- prosecuted 'prostitution rings' with a vengeance- and as governor, enacted strong 'anti- human (sex) trafficking laws to deal with 'modern day slavery'- caught using the services of very expensive call girls- flying them across state lines to wherever he was going to be - in Florida, DC - etc. in violation of the Mann Act- **A FEDERAL FELONY**- resigned from office but NOT arrested or prosecuted, while the madam who provided him with his 'sex slaves' went to prison. 2008

Carl XVI Gustaf King of Sweden
If even the king of Sweden patronizes sex workers, in a country which criminalizes the clients of prostitutes, how can prostitution abolitionists believe that such laws designed to 'end the demand' will have any impact on the average client of prostitutes? 2011

Rev. George Rekers
a prominent anti-gay activist who co-founded the conservative Family Research Council, was caught returning from a 10-day trip to Europe with a male escort he found on Rentboy.com, which is exactly what it sounds like. 2010

Appointed Government Official Randall Tobias
Christian conservative- director of U.S. Foreign Assistance and administrator of the U.S. Agency for International Development, was named by President Bush as the first U.S. Global AIDS Coordinator, with the rank of ambassador, which refused to grant funding to any non profit or NGO which supported decriminalization of prostitution. Claims that when he had "gals come over to the condo to give me a massage," there was no sex involved. Yeah, right. Took the Bill Clinton stance (I did not have sex with those prostitutes). 2007

Louisiana Senator David Vitter
conservative Republican junior senator was re-elected by his conservative constituents after being exposed as one of DC Madam's clients- with a diaper fetish. Did the obligatory press conference mea culpa with his wife, claimed that it was a private matter between them. Madam Deborah Jeane Palfrey however, was convicted and sentenced to prison... but supposedly 'committed suicide' after claiming she was in fear for her life before she was sent to prison. Lots of important men on her list of clients... 2008

SECRET SERVICE AGENTS
On duty for President Obama's trip to Columbia- Rowdy agents got drunk and brought prostitutes back to their hotel- prostitution is legal in Columbia, so when one agent 'stuffed' a prostitute, she called for help. If this guy had paid what he agreed to pay her, no one would have known about these trysts with sex workers... 2012

With hypocritical clients like these- powerful men who are willing to risk EVERYTHING to enjoy our company- do you really believe that the "END THE DEMAND" campaign will stop prostitution? EVER??????

Brooklyn Prosecutor Mark Posner
After being caught calling prostitutes from his office phone, Brooklyn prosecutor Mark Posner has been quietly demoted to a less prominent position in D.A.'s office where he's been working for the past three years- but not arrested and not fired.. 2013

MEANWHILE- back in Sweden, home of the "Swedish Model" prostitution abolitionist laws- 'Police in Stockholm were surprised on Monday to find that a man they had arrested for buying sex from a prostitute was the duty prosecutor to whom they were obliged to report the crime.' 2013....

Runnemede NJ POLICE CHIEF James Leason
was charged with misconduct in office and promoting prostitution. The officers who arrested Chief Leason said the chief was a repeat customer -- **105 times to be exact...** Allowed to retire and paid a fine. 2004

Albuquerque NM Judge Pat Murdoch
was the presiding judge over the trial of the prostitution ring known as "Desert Divas..." Was also the judge for Albuquerque rapist cop David Maes (who raped a prostitute), to whom he gave a probation sentence- saying prison would be too harsh for an ex-cop. 2007 (cop does not have to register as a sex offender) **2011- Was arrested and charged with raping a prostitute**, but as of 2012, the rape charges against Murdoch were dropped and the case is on hold until the DA decides what to do with him. Retired, full pension.

Boston Monsignor Arthur Coyle
One of Boston's most senior Roman Catholic priests has taken a leave of absence after being discovered in a car behind a cemetery with a woman described as "a known prostitute" 2013

Who are our clients?
Kings, Presidents and Prime Ministers
Top Cops, Street Cops, Attorneys & Prosecutors
Preachers and Priests, Rabbis and Imams
Judges and Jailers
Politicians and Secret Service Agents
Actors and Athletes
Liberals and Conservatives

The rich and powerful will always get away with their vices- it's the average 'john' who will be punished under the so called "End the Demand" crusade- as will the sex workers who provide erotic services to anyone... but it will NOT stop commercial sex

Visit our websites at www.iswface.org and www.policeprostitutionandpolitics.com to find many more examples of the lies and myths about prostitution- perpetrated by prostitution prohibitionists including radical feminists, religious conservatives and legislators... and the consequences for prostitutes when society accepts those lies
