Section I: COPS WHO SEXUALLY EXPLOIT CHILDREN- INCLUDING VERY YOUNG CHILDREN

*"Even one child is too many...." says Ashton Kutcher, in demanding that backpage.com shut down its' adult ads to 'protect the children...' Apparently the exception would be when the predator is a law enforcement officer...*

**NOTE: NONE OF THESE OFFICERS WERE SEEKING TO 'PURCHASE' THE SEXUAL SERVICES OF CHILDREN- INSTEAD THEY USED THEIR POSITION OF TRUST TO SEDUCE THEIR VICTIMS. What are we going to do to stop these predators from harming children? Shut down law enforcement?**

With so very many naughty cops to choose from, it was difficult to decide which ones to share, but [you can view the list yourself and check out their stories \(click link\)](#)

It is a full time job just to keep up with the many new cases which are added almost daily- when cops get caught. Most continue their predation for years - sometimes decades- before their actions are discovered.

States Attorneys General wrote the letter to the Village Voice and backpage.com demanding that they shut down the adult ads to protect children. The actual quote from their letter is this ***"We have tracked more than 50 instances, in 22 states over three years, of charges filed against those trafficking or attempting to traffic minors on Backpage.com. These are only the stories that made it into the news; many more instances likely exist..."*** to which we say, the same is true of the number of cases of cops and other law enforcement agents who have sexually exploited children.

**A child is not likely to want to report their sexual exploitation at the hands of a trusted member of law enforcement to... another member of law enforcement...**
