NOTE: Tables which we used for the number of law enforcement officers by state and the tables for prostitution arrests by age and gender are no longer available. These were not replaced by any tables other than tables which contain totals and not data by the above criteria. We were able to get the data from the FBI researchers for the age and gender which you can find here: http://www.policeprostitutionandpolitics.com/ end demand stats all/2016 operation do the math/2016 ASR Gender tables.pdf
