Moe Gibbs is sentenced again today this time for a 2004 rape.

The former Barnes County jailer was ordered to serve 12 years for raping a Fargo woman.

Gibbs is already sentenced to life in prison without parole in the 2006 murder of Mindy Morgenstern.

The rape sentence will run at the same time as a 15-year sentence for assaulting female inmates at the county jail, and consecutive to Gibbs' life sentence. Judge Wade Webb granted prosecutors' request for the rape sentence to run consecutive to the murder sentence.

Assistant Attorney General Jonathan Byers said it would ensure that the 35-year-old Gibbs stays behind bars. [watch the video](#) | [save this article / add to your favorites list](#)
