The Forum Communications Company is asking the state [Supreme Court](#) to allow the disclosure of the names

of jurors who convicted former [Barnes County](#) jailer [Moe Gibbs](#) of murder.

Southeast District Judge John Paulson sealed jury questionnaires and said jurors names would be confidential.

Attorneys for Forum Communications say that order violates public access to criminal proceedings. Gibbs was convicted in [Bismarck](#) of killing [Valley City](#) State University student [Mindy Morgenstern](#). He was sentenced to life without parole, and is appealing his case.

Paulson's order seals jurors' names until an appeal has been settled. [watch the video](#) | [save this article](#) / [add to your favorites list](#)
