6/17/06 - GALVESTON, TX - DNA proves a Galveston police officer raped a woman in East Beach, according to police.

Officer Kenneth Woods, 27, has been charged with aggravated kidnapping. Police say he confronted a woman, put her in his police car, and drove her to another section of the beach.

Remember they wouldn't ask you, if they didn't need your permission.

That's where the woman says she was handcuffed and sexually assaulted.

9/20/06 - GALVESTON, TX - A Galveston police officer has been indicted on a charge of sexual assault for allegedly assaulting a woman in his patrol car.

Officer Kenneth Deshun Woods' indictment yesterday is his second since June, when he was charged with kidnapping for an alleged offense involving a different woman.

Remember they wouldn't ask you, if they didn't need your permission.

Prosecutors say the women in both cases accused Woods of approaching them at a beach and forcing them into his patrol car.

Galveston Police Chief Kenneth Mack says the 27-year-old officer has been suspended since police began investigating the first claim.

Woods has been free on 40-thousand dollars' bail on the kidnapping charge. As of yesterday, no warrant has been issued nor bail amount set for the sex assault charge.
