All cops are pigs? Don't trust a cop? I'd love to see the company both of you keep. Ignorance must be bliss. Knock off the mob mentality with ignorant broad comments and grow up.

I think we need to hear his side of the story and then make since of it all if he did indeed do this then he needs to be punished. I do trust law enforcement and i respect them not all are bad cops. Nobody's perfect were all flawed in one way or another.
