(WHAS11) - The Harrison County sheriff has been asked to step down by the county commissioner.

?

Terry Miller is asking for Sheriff Mike Deatrck's resignation so "respect can be returned to the sheriff's department."

?

Miller did not say specifically why he thinks Deatrck should resign other than he believes the sheriff is putting Harrison County at risk of further legal actions.

Deatrck was charged in a federal lawsuit earlier this year for allegedly sexually harassing two dispatchers.

The county paid \$375,000 to settle that lawsuit.
