Border Patrol Agent Arrested on Sexual Assault Charges: Police Say More Victims Likely

Border Patrol Agent Arturo Ascencio

Hemet, California

A Hemet Border Patrol Agent, **Arturo Ascencio**, has been arrested by Banning police and the Riverside County sexual assault team on charges he used his position as a Border Patrol agent to commit sexual crimes against two women.

The charges involve two incidents separated by a year or more in which he allegedly used his position to force women to submit to partial disrobing and groping.

Alex Diaz, detective sergeant with the Banning Police Department, said it is possible there are other victims and asked that anyone with information about other incidents contact him at 849-1194.
