Philadelphia **POLICE OFFICER** Keith Corley has been arrested for **RAPING** a woman while **ON DUTY, in uniform and in a marked police car**, in August. Police said on Wednesday that the 27-year-old was charged with rape, indecent assault and related offenses.

Reportedly, the 32-year-old victim told police that she was waiting for a bus in West Philadelphia at about 3:30 a.m. on Aug. 11 when Corley offered her a ride. He then took her to a nearby park and assaulted her.

Authorities say Corley, assigned to the 18th Police District, **was on duty**, when he assaulted the woman.

Police Commissioner Charles Ramsey has suspended Corley for 30 days with intent to dismiss.

“Obviously, it’s something of great concern. It’s another, you know, black mark against the Department but again it doesn’t represent everyone on the Department,” Ramsey told KYW. “None of this is tolerable and we’ll take whatever action we need to take to rid our ranks of them.”

Corley has been on the force for about four years.
