ODESSA – CBS 7 has just confirmed with US Marshals office that former Odessa Police officer Salvador Becerra was arrested earlier today on a state grand jury indictment.

Becerra is facing six counts of improper sexual activity with a person in custody and one count of sexual assault.

Becerra's bond has been set at \$125,000.

Becerra was placed on administrative leave earlier this year following three charges of Improper Sexual Activity with Person in Custody and Violations of the Civil Rights of Person in Custody.

The arrest affidavit for those charges states while on duty as a peace officer in uniform, Becerra detained the victim, asked her breast size, and "inserted his hand under [her] bra and shirt and fondled one of her breasts."

Becerra was fired back in March following those allegations.
