## Staten Island: Officer Charged With Rape

By AL BAKER  
Published: October 11, 2006

A city police officer has been arrested on charges of raping and sexually abusing a child, the authorities said yesterday. The officer, Angel Negrón, 38, of Staten Island, was suspended without pay after his arrest on Friday night, the police said. He works in the 19th Precinct, on the Upper East Side. The child, a 14-year-old girl, came forward a few weeks ago, said a spokesman for Daniel M. Donovan Jr., the Staten Island district attorney. The girl told the authorities that she had been abused by the officer since October 1999, according to a criminal complaint. At Officer Negrón's arraignment on Saturday, a judge released him on his own recognizance; he is expected back in court in November.
