Very short article, which is typical.

08/15/2007

ATHENS -- A University of Georgia police officer was arrested Tuesday on charges he molested a 15-year-old girl more than four years ago.

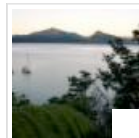

The Georgia Bureau of Investigation charged Brian Anderson, 26, of Oglethorpe County, with child molestation, aggravated child molestation and violating his oath of office. He resigned from his job at the university Tuesday, UGA Police Chief Jimmy Williamson said.

Anderson worked for the Oglethorpe County Sheriff's Office when the alleged molestation occurred. Investigators are looking into whether he used his job to make contact with the victim.

Despite what others say in an attempt to discredit us, we are not part of any organization(s), we are simply human beings who have a personal friend who wears the "sex offender" label due to one stupid mistake (that didn't involve touching or having sex with a child) over 21 years ago.
