Missoula, Montana (AP) 9-09

A Blackfeet police officer who resigned has been arrested on allegations that he had sex with a young girl.

The U.S. Attorney's Office says Aaron Pepion was being held without bail.

Prosecutors say Pepion had sex in April with a girl who was born in 1994. No age was listed for Pepion in his charging documents.

Blackfeet Tribal Department of Public Safety Director Henry Devereaux says the FBI investigated Pepion in July and he resigned during early August. Devereaux says Pepion had been an officer for about a year when officials began investigating the allegations against him.
