Sex Offender Issues

Sex offenders have the second **LOWEST** recidivism rate of all criminals, except murderers. See the **RECIDIVISM** link below for studies. Sex offender, child molester, pedophile and predator are not all one and the same, so stop spreading lies that sex offenders are child molesting, pedophile predators who want to abuse and/or kill your kids, it's just pure disinformation.

A former Ukiah [Police officer](#) on Monday turned himself in to the Mendocino County jail to begin serving a [90-day sentence for sexual contact with a 16-year-old girl](#).

[Billy Lee Moore](#), 71, was arrested last year after the [girl reported that Moore forced her to kiss him and would kiss parts of her body](#), according to the Mendocino County District Attorney's Office.

[Moore pleaded guilty to misdemeanor sexual battery. He initially was arrested on suspicion of exhibiting harmful matter with the intent to seduce a minor; annoying or molesting children; and sexual battery](#), according to Ukiah police.

Following his release from jail, [Moore will be required to register as a sex offender and will be on formal probation for three years](#), the District Attorney's Office said following his sentencing Friday in Mendocino County Superior Court.

Moore went to work for the Ukiah Police Department in the 1970s and retired in the mid-1980s, police officials said following his arrest. He later worked as a fraud investigator for the County of Mendocino, retiring again sometime in the 1990s, officials said.
