Prosecutor indicted on child porn charges!

[Prosecutor, George Richard “Dick” Fox](#) was indicted by a federal grand jury on child porn charges and resigned!

“The indictment says that between Feb. 26, 2008 and March 24, 2009, Fox had 14 images of a young girl or girls involved in sex acts on his computer.”

George Richard “Dick” Fox (what a mouthful that is to say) was reported to be resigning for “personal reasons” Hmmm. Could one of those reasons be that he’s a pervert?

Paul D’Agrosa is acting as his lawyer. Fox has served as Clarkson Valley prosecutor, a back-up municipal judge (that’s scary!) and a private attorney.

I’m not even going to pretend to make light of this. This charge disgusts me and sickens me.

Child porn is a very serious charge. It’s not just kids standing around nude being photographed. It’s children being *raped!* It’s some pervert sticking his filthy, dirty penis into a baby’s mouth. It’s some pervert sticking his penis into a baby’s vagina while the baby has a pacifier in her mouth. It’s some pervert sticking his penis into a little girl’s vagina until she’s in pain and bleeds. It’s children having sex with other children, children having sex with animals, licking a dog’s testicles. It’s sick, disgusting \$hit! That’s what child porn is. It’s not just a bunch of pictures. It’s children being raped. And why are they doing it? Simple: money. That’s what it all comes down to. They’re raping these kids and photographing it just so they can sell it on the internet for money. *If*

September 2009

nobody was buying it, the children wouldn't be raped! Every time you purchase child porn, you're paying for a child to be raped. They're doing it for you.

This is a disgusting, reprehensible crime. To pay for a child to be raped, by purchasing the porn. This prosecutor is entitled to the presumption of innocence. Fine, I get that. But if he is guilty, he should be prosecuted to the fullest extent of the law!

Richard Fox was just removed as a part time judge. I don't understand why they waited so long to do it!
