One of the alleged victims contacted the Stearns County Sheriff's Office to report a series of sexual assaults which allegedly took place over an 18-month period from July 2008 to December 2009. None of the alleged incidents appear to have occurred while Meemken was on duty with the Sheriff's Office.

Meemken was placed on paid administrative leave Dec. 10, 2009, the day the first victim reported the alleged assault. On that same day, the Stearns County Sheriff's Office asked the Bureau of Criminal Apprehension (BCA) to investigate the allegations.

Meemken is a 17-year veteran of the Stearns County Sheriff's Office, and has been a sergeant for the past three years.
