CRISP COUNTY, GA - A part-time Crisp County jailer was arrested Tuesday night in an undercover sex sting in middle Georgia.

Sixty-three year old Albert Pole is charged with attempt to commit child molestation.

He is in the Butts County jail.

Here is a statement from Crisp County Sheriff Donnie Haralson--

Sheriff Haralson has confirmed that a part time deputy assigned to the detention division was arrested in Butts County, Georgia on August 2, 2011.

Haralson stated that his agency was notified at approximately 6:15 yesterday that Albert Bill Pole, age 63, had been arrested in an undercover sting.

Haralson said Crisp County Sheriff's office is working with Butts County Law Enforcement and the GBI in the continuation of this investigation. Pole, who had retired from the Department of Public Safety, has been employed part time with Crisp County for several years.

Sheriff Haralson stated that Mr. Pole has been dismissed from the Crisp County Sheriff's office and that this type of behavior will not be tolerated or condoned.

Pole has been charged with attempting to commit child molestation.

You really are a DUFUS.. Can't read either . He retired from the Department of Public Safety. The department of public safety is a big umbrella. The Georgia State Patrol is just one of the little people under that umbrella as is Capitol Police and Motor Carrier Compliance. At the time he retired, Drivers License was under that umbrella. He picked up licenses from people who were ordered to turn them in.. Get your facts straight before ya flap your pie hole. That is how rumors get started..

Not to downplay this, but isn't he getting rather old to be caught for the first time? This usually starts much younger.
