HOUSTON - A Chambers County deputy faces charges of 'sexual assault of a child.'

Gabriel Davila worked as a sergeant at the county jail since 2003. He's since been terminated, according to the county.

The sheriff's office says the complaint involved a family member and refused to further comment on the case.

Davila was arrested on Thursday night and is being indicted on two counts -- one with 'aggravated sexual assault to a child' and another with 'indecent with a child,' according to the district attorney's office.
