Jason Hignight Arrested For Sex Assault Of Adopted Daughters

Update: 2-25-11 Jason Hignight is now facing more charges for allegedly raping an adult neighbor in 2006.

Texas-- A Lubbock police officer was allowed to resign just hours before he was arrested for the sexual abuse of his two adopted daughters, ages 12 and 16.

Jason Wesley Hignight, 32, graduated the police academy in June of 2010, after passing an extensive background investigation. WTF.... he even passed a polygraph? Lubbock, y'all aren't asking the right questions.

The victims were adopted after being fostered by Hignight and his wife. The oldest girl stated that the sexual assaults had been going on for three (3) years, usually occurring on his days off (Tues/Wed) and when the mother was not around. Hignight was undone when she unexpectedly came into the girls' bedroom and found him exposing his penis to the 16-year-old.

MySpace paints a rosey picture of Hignight's home life. "We are in the process of fostering 3 awesome kids, really look forward to completing the process, and we keep them every other weekend and holidays for now... but by March, we should be in great shape for full-time!"

Jason Hignight remains in the Lubbock County jail on \$200,000 bond. Hignight's [Facebook](#)

"...we should be in great shape for full-time!"

OH yeah, he had some plans for full time alright. He passed the poly because he planned that too. Like he planned for all the threadbare fostering interviews. You'd do well to tag this with "foster care" kids or some such tag, because the foster care/ state care of children is looking like a huge child trafficking racket to me. Who killed Sen. Nancy Schaefer (R-Ga.) & her husband March 26, 2010?

I wonder what this sick-o did for a job since he was 32 before becoming a police officer. I wouldn't be surprised if it involved being around children.

Hignight has a BA in business administration from Texas Tech (2003), and has an active broker's license with a local real estate and property management company — Wilson-Night Property Services.

I can answer those questions. Let's start with High School in **Ozona**. He was always weird. His mom was an elementary school music teacher who was fired for verbally abusing kids. He played football, but he refused to take showers with the rest of the team. He never really dated because girls found him creepy, at best. He went to Lubbock after graduating and tried to reinvent himself, I guess you could say. Since
