OKLAHOMA CITY - Former Oklahoma City police sergeant Maurice Martinez has pleaded guilty to felony sex and child abuse charges.

On Tuesday, an Oklahoma County judge sentenced Martinez to a 25-year suspended sentence. He's been ordered to serve two years in Oklahoma County jail and two years on house arrest.

Martinez was accused of molesting his teenage, adopted sons.

Prosecutors say they made a plea deal with Martinez because the witnesses in the case were scared and refused to cooperate.

This B.S. is infuriates me to the max!!! This is one of the main reasons why DHS is being sued right now cos' of this kind of satanic behavior toward these innocent children. This is why the world will be going through the process of elimination!!! Mother earth has begun her cleansing of the wretched filth of every kind!!!!

Prayer is DEFINITELY in order, in any case, the truth needs to be known, More importantly the Case Needs To Be Heard in court in all FAIRNESS. No one is exempt from the love of JESUS and no one is exempt from prayer. All parties in the case should have forgiveness, love, compassion, and healing from the Lord. It is my hope that all will be covered by the blood of Jesus. I also pray that the children are also led

@John He'll go to county, but they won't put him in general population with other inmates b/c he's a cop. They'll keep him segragated in a different block or on lockdown. Otherwise I agree with you 100%

It is not unheard of for prosecutors to offer a sentence like this to spare the victims of further trauma and it didn't matter, in my opinion, of what this loser did for employment prior to being caught. It is also my opinion, once more of this loser's story came out, that he was guilty as H E L L. At first one should be cautious in a rush to judgement when something like this case comes up; unfortunately some people make up abuse stories for their own means to an end. Thus it makes it hard to filter out the real cases. Either way this is a sad, sad time that someone who was supposed to be protector of all would have done this. I am sure his two years in a county lockup, the same one he put people, will help him learn the error of his ways.
