LIVINGSTON - Chief Deputy Jason Ard confirmed today that a Livingston Parish Sheriff's deputy had been arrested and fired after he was accused of molesting a juvenile.

Ard said Deputy Jeremy Brister, 37, was arrested today for one count of molestation of a juvenile and three counts of indecent behavior with a juvenile.

He said a parent reported the crime to the sheriff's office, which investigated the allegation before arresting and firing Brister.

Ard said Brister had been on the force for 18 months serving as a road deputy. He was booked into the parish jail with a \$125,000 bond.
