A 10-year veteran of the Los Angeles County Sheriff's Department was arrested on suspicion of committing lewd acts on a child while off duty, officials said.

Oscar Rodriguez, who was last assigned to the Marina Del Rey Station, was arrested on Thursday by Los Angeles police.

Rodriguez, a resident of Los Angeles, was booked into the LAPD's Metropolitan Detention Center with bail set at \$100,000.

LAPD officials contacted the LA County Sheriff's Department, which will conduct its own separate internal investigation.

Rodriguez was relieved of duty pending the outcome of both the criminal and administrative investigations.

Tribute to survivors of child sexual assault by law enforcement officers.

More police officers are convicted of child sex crimes than all other professions combined. It's law enforcement's "dirty little secret", and one we are committed to exposing. Police officers use their positions of trust to violate our children. Their victims are threatened with physical harm and told no one will believe their word over that of a police officer. Please visit our Facebook pages to learn more about this insidious epidemic that's plaguing the entire country.
