HOLDENVILLE, Okla. - An Oklahoma school employee and former police officer has been arrested for child pornography.

Holdenville director of transportation Terry Farris, 50, was arrested at the school's bus barn Thursday morning.

Farris was booked into the Hughes County jail on one count of Possession of Child Pornography, one count of Distribution of Child Pornography and one count Violation of the Oklahoma Computer Crimes Act, according to the Oklahoma State Bureau of Transportation.

Farris allegedly sent digital images containing child pornography to an undercover OSBI agent, which began investigating in October.

The OSBI lists Farris as a former Holdenville police officer.
