A Zwolle police officer has been arrested and charged with pornography involving juveniles, indecent behavior with juveniles, obstruction of justice and malfeasance in office, authorities reported.

The officer, Calvin L. Aaron Jr., 33, of Zwolle, was arrested Wednesday by investigators from the Louisiana State Police Bureau of Investigations/Alexandria Field Office.

In July, State Police received information and a request from the Sabine Parish Sheriff's Office to investigate alleged inappropriate conduct and sexual behavior between a Zwolle police officer and a juvenile.

Police said the investigation revealed that Aaron and a 16-year-old girl were using cellphones to transmit sexually explicit and/or lewd images of each other to one another.

The investigation also revealed that Aaron had engaged in indecent behavior with the girl and attempted to destroy evidence of their activities after knowing there was an investigation, authorities said.

Aaron was booked into the Sabine Parish Detention Center.
