A veteran San Mateo County Sheriff's deputy and Gilroy resident accused of routinely molesting his daughter over the course of six years appeared Tuesday in South County Superior Court in Morgan Hill, where his bond modification hearing was continued until Thursday. At that time, his defense attorney is expected to make the case for lowering his bail amount, which currently sits at \$2 million.

Galen Underwood, 40, was arrested at his family home in unincorporated Gilroy Sept. 25 by Santa Clara County Sheriff's deputies following his daughter's disclosure to a high school counselor that Underwood allegedly sexually assaulted her over a period of six years, starting when the victim was 11 years old, according to Santa Clara County Deputy District Attorney Stuart Scott.
