That shows how sick and perverted these jokers are. You have a nice looking wife and you go after a girl. Somebody needs to slap him across the head for being a dumb fool.

I thought I would never see the day when the N.Y.P.D.s standards would diminish so low that they would hire a "pretty boy floyd" wanabee to become a member of " New York Finest ". Where on this green earth are they digging to pull up such dirt. I know the good guys who have been doing this job without having a blemish on their careers are shaking their heads in disbelief. I know there are good cops out there, but unfortunately the "BAD ONES" are the ones we hear about on a daily bases. THEY make "HEAD-LINES". The "bosses" better get their collected heads out from where the sun don't shine and get a grip. Although, things are deteriorating rapido, there is still some hope. Don't let the good cop think that the "JOB" is just another job.
