A South Valley Corrections Officer is facing child molestation charges. 39-year-old Chad Shaddon, is accused of "sex crimes" with his girlfriend's 15-year-old daughter. A 14-year-old also came forward claiming he molested her. He's being charged with two counts of "Lewd Acts Upon a Child. Shaddon was booked and released back in July, and placed on administrative leave from his prison job. He's expected to answer to charges on the 28th. If convicted, he could face time behind bars, and may have to register as a sex offender.
