Cops busted a city correction officer after he molested a 16-year-old girl he met at a party, officials said Wednesday.

Giovanny Campos, 41, was nabbed in Queens on Tuesday night and charged with endangering the welfare of a child and having sexual contact with an individual under 17.

Campos met the 16-year-old at a party thrown by the teen's family - and she told him she was 18, he told investigators.
