2015 Cop Pedophile Bradley Mason

BRADFORD, Pa. (WKBW) - A McKean, PA county sheriff who resigned last year has been charged with corruption of minors because state police say he had sex with a 17-year-old girl who was renting a home from him while he was still sheriff.

Online court records don't list an attorney for 52-year-old Bradley Mason, of Bradford. His listed phone number was disconnected Thursday.

The Bradford Era reports state police filed the charges Thursday. A preliminary hearing date has not been set.

Mason allegedly had consensual sex with the girl weekly from December 2013 until May 2014, two months before he resigned.

Police also charged Mason with providing alcohol to the girl.

Police say text messages show Mason initially thought the girl was 18 and that he asked her to delete the texts, but kept having sex with her after he learned otherwise.
