2015 Cop Pedophile David Hubbard

- GARNER, Iowa —A retired Iowa State trooper is scheduled to be sentenced in October for possessing child pornography.

Court documents say 66-year-old David Hubbard, of Garner, last week pleaded guilty to one count in Hancock County District Court.

He'd been charged with three counts of misdemeanor sexual exploitation of a minor. His sentencing is set for Oct. 20.

Investigators say Hubbard possessed two photographs and one video, each involving a minor, in November 2013.

The patrol says Hubbard retired in 2004 after nearly 30 years with the department.
