A Dallas police officer has been accused of aggravated sexual assault against an 8-year-old girl, officials say.

The Kaufman County Sheriff's Office identified the man accused as 33-year-old Ryan Ramirez, who they said was also a family friend of the victim.

The Dallas Police Department confirmed to NBC 5 that Ramirez is a Dallas police officer and is currently on administrative leave.

The child's identity will not be released due to her age and because she is believed to be a victim of a sex crime.

Further details about the case have not yet been released.

No arrests have yet been made, officials said, though the sheriff's department has turned the case over to the Kaufman County District Attorney for referral to the grand jury.
