[2016 Cop Pedophile](#) Justin Crain

The trial for former union county deputy Justin Crain is set for august 10th. Crain was arrested June 7th after a three month investigation on two counts of child pornography.

According to a court document the investigation started back in march after the Arkansas Internet Crimes Against Children's Task Force was notified that file containing suspected child pornography was uploaded to an online storage through a phone belonging to Crain.

Investigators got a warrant to search Crain's cell phone and found roughly 50 images of children engaged in sexually explicit acts.

The document also stated that during an interview with investigators Crain first claimed that he inadvertently ran across the images while searching for adult porn but later confessed to uploading the images and viewing them as well as sharing the images with others.

Crain plead not guilty to both charges.
