Ex-police officer is arrested, accused of lewd acts with minor

A former Perry police officer was arrested Thursday, accused of engaging in lewd acts with a minor.

Matthew Lance Vassar, 45, was arrested at a relative's home in Ponca City.

Ponca City police requested assistance from the Oklahoma State Bureau of Investigation after learning of the alleged crime on Tuesday, according to a news release.

In a protective order filed Wednesday in Kay County, Vassar is alleged to have inappropriately touched a female child beginning in 2013.

OSBI spokeswoman Jessica Brown said Vassar was employed by the Perry Police Department at the time of the allegations and resigned Thursday.

He is being held in the Kay County jail on \$750,000 bail on a complaint of lewd or indecent proposals or acts to a child.
