Shawn Beu has been sentenced to 45 years in prison for his conviction on child sex abuse and pornography charges.

Beu was sentenced Wednesday in an emotion-packed Council Bluffs courtroom.

He had earlier been found guilty on 10 counts of the sexual abuse and video recording of young girls.

Prosecutors say videos of Beu sexually abusing a young girl and of young girls taken on a hidden camera in Beu's bathroom were found in his home.

The mother of one of the victims spoke in court on Wednesday saying, "I don't even hate you, I loathe you." The woman broke down in tears at times and raised her voice in anger. Her child was one of five victims either exploited or assaulted by Beu.

Beu, who lives in Council Bluffs, is a former corrections sergeant at the Douglas County Jail in Omaha.

He was arrested in March.

Beu plans to appeal.
