### Morning Call Scrubs Archives of Shiatsu Sex Story, Gives DA Jim Martin "Happy Ending"

On Thursday, November 5, 2009, the Pennsylvania Superior Court **resoundingly rejected** an appeal filed by Lehigh County District Attorney Jim Martin > **[Read WITN.com story.](#)**

DA Martin was attempting to get a higher court reversal on a ruling that was handed down against him by Lehigh County Court of Common Pleas Judge Robert L. Steinberg > **[Read Morning Call story by Debbie Garlicki.](#)**

On Saturday, November 7, 2009, LVS wrote a blog post commenting on and quoting heavily from The Morning Call's coverage of the same day > **[Saturday, November 7, 2009.](#)**

On Monday, November 9, 2009, Law.com covered the story, see: **[Sex With Informant Voids Prostitution Case](#)**, and this part really jumped out at us:

DANCER, CHOREOGRAPHER

[Sheena Marie Amelia Villa](#) + [3/23/81 - 3/24/06](#) + [Facebook](#) + [Expression of Dance Scholarship Fund](#) + [Steps in Time Scholarship Fund](#) + [Sheena's Guest Book](#) + [Sheena Spaghetti Volunteers 2011](#) (one crew, there were lots more) "Pop Pop"

DA JIM MARTIN LIES ON CAMERA

DA Jim Martin inadvertently admits Robert LaBarre's **third degree murder malice** on TV, see: [1:31 mark](#), then read "[Sheena Villa's 3rd Degree Murder](#)"

FAMILY OF SHEENA VILLA

**Debbie Garlicki**, a spokeswoman for Lehigh County District Attorney James B. Martin, said her office plans to appeal the decision, but declined further comment.

W-O-W. So even though Lehigh County Court and the Pennsylvania Superior Court had both ruled against him, resoundingly, and the PA State Police (agreeing w/ the courts) was publicly condemning the actions of its participating troopers, *DA Jim Martin was taking his crusade for paid informant sex all the way to the Pennsylvania Supreme Court!*

And curiously, the **"newspaper" "reporter" Debbie Garlicki** had somehow become **DA Jim Martin's mouthpiece**. Officially. Maybe she **always was**.

Is this **crony crooked** enough for you? There's more.

On Wednesday, November 11, 2009, Morning Call "newspaper" "columnist" Paul Carpenter wrote a highly DA Jim Martin-friendly and **purposefully mis-directing "puff" piece** on this serious matter-- serious, when you consider the time, energy, and resources Lehigh County's "Top Cop" DA Jim Martin was spending on a paid informant sex case, which now included an announced appeal to the Pennsylvania Supreme Court that was really just a thinly veiled vendetta against Judge Steinberg-- Jim Martin's far superior predecessor as Lehigh County DA.

You'll notice in Paul Carpenter's November 11, 2009 article (**see paragraph 3**) his mention of a *"Saturday"* story ... so ... there obviously *was* a Morning Call story on Saturday, November 7, 2009.

Curious thing is ... we can't find it in The Morning Call archives anymore.

Also, checking (carefully) The Morning Call's own *Article Collections*, here's the list of everything (wink wink) that ran in The Morning Call "newspaper" on **Saturday, November 7, 2009**.

As you can see, the "Shiatsu Sex Story" that ran on Saturday, November 7, 2009 ... the "*Saturday*" story **Paul Carpenter** referred to ... is not there anymore, as of the day and time of this post.

2011 is an election year for longtime Morning Call **colluding crony DA Jim Martin**, and questions about Big Jim's [alleged] Supreme Court Appeal regarding a paid informant sex case could make for some *very embarrassing moments*, in, say, a **televised debate situation**.

Is that why this story was tossed off by The Morning Call?

This taking down of stories by The Morning Call is nothing new.

I took exception to a negative story about Coca-Cola Park a few years and ended up challenging a Morning Call reporter about it.

He said he had no recollection of the article and even questioned whether such a piece ever existed in the first place.

So, I opened up the desk drawer and re-copied the original for the reporter's benefit complete with publishing date, author, etc., and sent it to him.

All of a sudden, the reporter 'magically' remembered the article in question...

Poor reporter --- his credibility will be forever be tainted and tarnished beyond repair.

Which sucks for him considering that, in theory, he wants me to actually purchase his bird-cage liner passing itself off as a newspaper.

And I would add that, when it comes to their pal DA Jim (hiccup) Martin, the "newspaper" revises history if and when any inconvenient truths or facts on Martin happen to get out inadvertently (e.g., when an enabling editor is on vacation). Normally, they just ignore the facts on Martin, or flat-out refuse to cover them when they're brought to their attention.

And I speak from painful, and repeated, first-hand experience.

LYNN TOWNSHIP SUPERVISOR

"PUSSY: WHIPPED (in court)"  
Readers, "Troll" blog Co-Creator and one of the original [hand-picked](#) Morning Call "Valley Blogosphere" selectee "honorees," attorney (for now) Dave Najarian's Troll blog mission (as stated) was

to re-route and muzzle Bill Villa's astute and civic-minded dissent against DA Jim Martin and [The Morning Call "newspaper."](#) Najarian's "muzzle Villa" mission is equally transparent in his [bogus "harassment" charge](#) that DA Jim Martin got PA State Attorney General [Tom Corbett](#) to approve for him. Najarian/O'Hare Troll blog intimidation and [provoking harassment](#) tactics sank so low as to include [publicly threatening to sabotage Sheena Villa's wrongful death litigation ...](#)

**RE: "VALLEY BLOGOSPHERE" AT  
THE MORNING CALL "NEWSPAPER"**

There was a time when healthy local blogosphere dissent against DA Jim Martin and The Morning Call "newspaper" was running righteously rampant and free. This was not good for The Morning Call [mother ship](#). So Glenn Kranzley had an idea: "[Valley Blogosphere](#)." Diabolically, elite and "[honored](#)" membership in "Valley Blogosphere" and "Blogger Tuesday" immediately converted formerly [outspoken](#) Morning Call [critics](#) and local blogger "[Watch Dogs](#)" (and Villas [justice](#) mission [supporters](#)) into "[celebrity](#)" [aquiver Lap Dogs](#), sabotaging [Attack Dogs](#), and compliant [Flip-Flopper Sell-Outs--](#) so [aquiver](#) and self-absorbed these folks were about seeing their blog ramblings (and their pictures) in the "newspaper." In one smooth move, all local blogosphere dissent against The Morning Call "newspaper" was stopped cold, and the "newspaper" had all the puppy-oriented, recipe, and NeoCon-Pandering blog content it could edit-at-will and publish ... for FREE. "Valley

Blogosphere" was a "win-win" situation for the self-interested "players" and a loyally cooperative Group Muzzle against ["unsanctioned" local dissent](#) [Note: No Valley Blogosphere-Affiliated bloggers voiced a peep of disapproval (or even questions) when this blog was hacked into and had comments deleted from an [exposé blog post on DA Jim Martin](#) on 4/30/09, now that's [aquiver lapdog loyalty](#)]

**MORNING CALL "NEWSPAPER"  
MANAGING EDITOR**

[Dave Erdman](#) will not meet with Sheena's dad, [Bill Villa](#), no way, no how. Wanna know why? Read ["Ethics, Morning Call style"](#) and the comments that follow ... then, read our posts ["DA Martin Stonewalls on Stinky Garlicki Hiring"](#) and ["Cheering Glenn Kranzley's Firing"](#) and the comments that follow both posts to learn how [DA Jim Martin](#) fixes DUI homicide cases for cronies and drinking buddies and how The Morning Call "newspaper" looks the other way on all of DA Jim Martin's [crookedness](#) and [incompetence](#). What's going on here? Pay To Play? Pay To Not Publish? LVS is on a mission to

find out. So yeah [Dave Erdman](#), you should look worried. Note: DA Jim Martin cheerleader/enabler and former longtime Morning Call "newspaper" courthouse beat "reporter" [Debbie Garlicki](#) now works full-time (and, officially) for DA Jim Martin as an "[Executive Aide](#)." Yep. How crony cozy is this? And more importantly, how far back, and to what lengths, does their crony coziness go? Another excellent question that deserves to be answered. However, good luck in getting any Jim Martin/Debbie Garlicki questions answered, considering that Lehigh County's current "[Right To Know](#)" Officer is former longtime Morning Call "newspaper" reporter, [Kathleen Parrish](#). Yep. Lehigh County Commissioner [Percy Dougherty](#), [PhD](#) was surprised too. For more information, see our right sidebar item on [crooked & incompetent DA Jim Martin \(left\)](#) and stay tuned to LVS for exclusive coverage you won't get from our "[Watchdog](#)" [local media](#) and "newspaper" controlled [local blogosphere](#)

**REALLY DETERMINED TRUTH  
CONCEALER**

Morning Call "newspaper" Assistant Managing Editor [Mike Miorelli](#) doesn't want you to know that a jury found J.P. O'Malley's bar negligent in the death of Sheena Villa so he continues to intentionally mislead Morning Call readers w/ published reports that say O'Malley's bar was found NOT negligent in Sheena's death, which is a lie [UpDate: It took the MC "newspaper" 30 days (a month) and numerous requests from Sheena's family to finally publish a correction on 6/9/09, but in keeping w/ their [long-standing](#) mean spiritedness [against Sheena's family](#), the "newspaper" maintained an [alternate uncorrected version](#) at The Morning Call website until 6/16/09 and in its archives to this day that continues to lie about the jury's actual verdict]

---

**JURY FINDS J. P. O'MALLEY'S  
BAR NEGLIGENT IN DEATH OF  
SHEENA VILLA**

But [The Morning Call](#) "newspaper" has purposefully concealed this significant ruling from its readers. Locally, only [WFMZ-TV 69 News](#) accurately and truthfully reported on the jury's ruling that J. P. O'Malley's bar was found negligent in Sheena's death. [The Express-Times](#) was a day late w/ their story which they appear to have picked

up from The Morning Call's deceitfully incomplete account, so the "ET" also failed to report that the jury found O'Malley's bar was negligent in the death of Sheena Villa [UpDate: It took the MC "newspaper" 30 days (a month) and numerous requests from Sheena's family to finally publish a correction on 6/9/09, but in keeping w/ their [long-standing](#) mean spiritedness [against Sheena's family](#), the "newspaper" maintained an [alternate uncorrected version](#) at The Morning Call website until 6/16/09 and in its archives to this day that continues to lie about the jury's actual verdict. In the meantime, their favorite bar J.P. O'Malley's got [pulverized](#) and [Glenn Kranzley](#) got fired]
