

The Stats Behind Prostitution

Prostitution is called the world's oldest profession but not many people know very much about it, other than what the job entails. Most people wouldn't be able to tell you that the United States is actually not the most frequent customer for paid sex, or that prostitution is the most dangerous job in America, or that sex trafficking is the fastest growing criminal industry in the world. The information below will provide some insight to the industry and make you a little more knowledgeable on the subject about the plight these women face. It's legal in 22 countries and a few areas in America too, here is your introduction to paying for sex.
