(http://www.lauraagustin.com/wp-content/uploads/2010/07/emma2_big.jpg) What are we to make of this photograph? Who is saying HELP ME? Is this a men's toilet or a women's? Is the victim hidden behind the wall? There's something fundamentally wrong with the grammar of this warning. And then Emma Thompson - is she identifying with the person crying help? or perhaps a bit nonplussed, or distracted by the dirtiness of the sink.
