Oh the lies the 'victim pimps' tell in their quest to raise money to abolish all prostitution... and it's NOT 'for our own good'!

"One in three runaways is recruited by a pimp within 48 hours of leaving home..."

WHERE DO THEY GET THIS STUFF? They ought to tell the FBI where to find these pimps, because the FBI can't seem to find very many victims or many of these pimps either:

JULY 26 to July 28, 2013 "Operation Cross Country"—3 days, 3,900 agents (local, state and federal) in 76 cities- concluded with the 'recovery (ARREST) of 105 sexually exploited children' and the arrests of 150 pimps and other individuals (adult prostitutes).

Why, that is an astonishing 1.4 children rescued per city, using 37.1 law enforcement agents per rescue and giving each pimp 0.7 child to exploit...

And it was nearly as successful as the last two 'recovery efforts' in 2011 and 2012...

You'd think that with 4,680 acts of sexual violence and rape per minor per year, they'd be able to locate a few more victims and pimps...

Perhaps if the cops weren't so busy molesting children they might have time to look for victims...

"Even one child is too many..."

As no many children raped by pedophile cops will it take to make celebrities care about those who are the victims?

Reggie Gallery: the Worst of the Worst

Section I: COPS WHO SEXUALLY EXPLOIT CHILDREN- INCLUDING VERY YOUNG CHILDREN

"Even one child is too many..." says Adam Katcher, in demanding that reggie.com shut down its adult site to "protect the children..." Apparently the exception would be when the pedophile is a law enforcement officer.

NOTE: NONE OF THESE OFFICERS WERE ASKING TO PROTECT THE SEXUAL ABUSE OF CHILDREN- INSTEAD THEY USED THEIR POSITION OF TRUST TO SEXUALLY ABUSE CHILDREN. What are we going to do to stop this? (I'm not sure) "Child abuse: pedophile.com"

Who are we going to sue to shut them down, or are we going to sue to shut them down, but you can view the list yourself and check out their stories (click links)

And it might help if, when a police chief is caught having raped a THREE YEAR OLD GIRL- TWICE- he at least be sent to prison for a week or two rather than being sentenced to PROBATION... as Pike Co. Ohio Chief Deputy Clyde Franklin Sanders Jr. received when sentenced in July 2013...

In 2012, over 200 cops - including a number of police chiefs- were charged with or sentenced for molesting children.

That is NOT an estimate!

TRAFFICKING & THE SEX TRADE

US CHILDREN AT RISK 250,000

33% of runaways are recruited by a pimp within 48 hours of leaving home

12 years old average age of first exposure to pornography for boys

13 years old average age for entry into prostitution

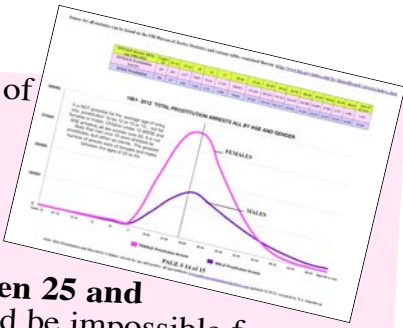

95% of women involved in prostitution report sexual abuse as children

4,680 acts of sexual violence and rape per minor per year

7 years average life span of a woman being sold in the sex trade

source these stats at www.ywantrest.com

According to the FBI Bureau of Justice Statistics, over a period of 32 years- from 1981- 2012, the majority of females arrested for prostitution were between 25 and 29. Statistically then, it would be impossible for an 'average age for entry into prostitution' to be 13, or 14, or 15 or even 17...

Women who are in their 60s were and are being arrested for prostitution- in fact, there were 803,065 women over 30 arrested for prostitution during that period from 1981 to 2012, but only 35,371 females under 18...

Hmmm... SOMEBODY is SERIOUSLY mathematically challenged...

According to the FBI Bureau of Justice Statistics, in 32 years- from 1981- 2012, the total number of arrests of females under 18 (minors) for prostitution: 35,371 THAT'S 1.81% of ALL female arrests for prostitution...

Of these, 17,235 were 17 years of age, 9,124 were 16 years of age, 5,082 were 15 years of age, 3,477 were aged 13- 14 259 were aged 10- 12 and 187 were under 10...

HOW can the 'average age for entry into prostitution be 13?

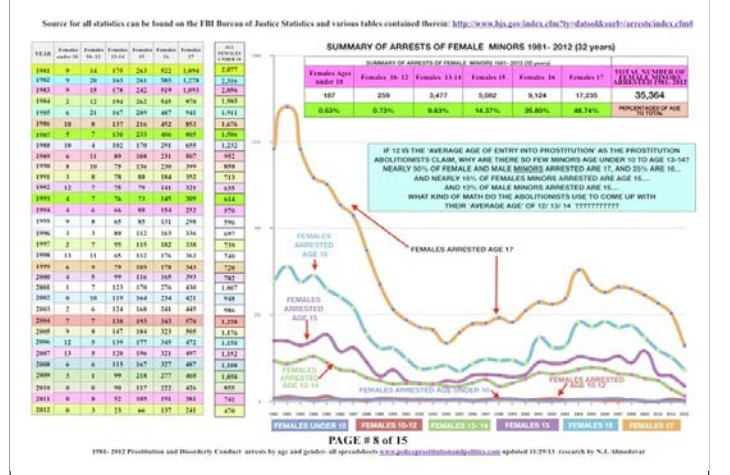

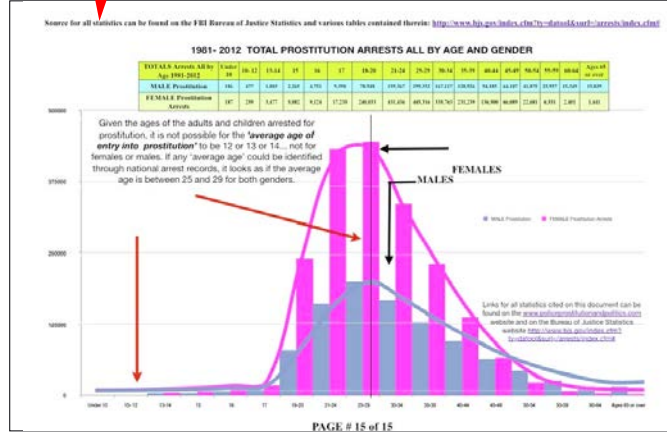

It must be the new math...

HOW DO THEY COME UP WITH THIS NONSENSE? We only live 7 YEARS after becoming sex workers? You couldn't prove it statistically, as this chart shows... Maybe someone ought to tell the hundreds of thousands of adult sex workers who have, through the years, used their sex work income to put themselves through college, or to support themselves and their children so they can leave an abusive husband, or to fund their other endeavors until they became successful in whatever field of interest they have such as writing, film making, photography, painting, sculpting, acting and the many other arts and activities in which they engage while doing sex work or aspire to do when they save up enough money. The many actresses in Hollywood who worked in the biz before they made it can attest to living far longer than 7 years...
